

```
C:\Users\amand\PycharmProjects\PythonProject2\.venv\Scripts\python.exe C:\Users\amand\PycharmProjects\PythonProject2\function.py
```

```
Would you like to calculate:
```

```
area of a circle
total due
degrees celsius
```

```
area of a circle
```

```
Please enter radius of the circle:
```

```
10
```

```
314.16
```

```
Process finished with exit code 0
```
